Greg Tack	952
Bradley Crouse	950
Matt Rodriguez	920
Tyler Vitelli	880
Adam Zimmerman	860

JUNIOR BOWLERS TOUR SCHOLARSHIP RULES

For those bowlers who are applying for their scholarship earnings, there are a few simple rules. Please follow these rules to avoid delays in processing a request. In almost all cases, requests will be processed within a few days as long as paperwork is completed and submitted properly.

1) Your scholarship earnings are available after you have graduated high school and completed at least one semester of college (12 credits) with a cumulative grade point average of at least 2.0. Those who do not have a 2.0 cumulative GPA will not forfeit their scholarship earnings, however they will not be able to collect any scholarship monies until that standard has been reached in future semesters.

2) A copy of the students grades must be submitted to the Junior Bowlers Tour. The student's name and the name of the school MUST BE ON THE GRADE REPORT. Many internet printouts are NOT ACCEPTABLE because they do not include this information. Grades may be mailed to: JUNIOR BOWLERS TOUR, 198 Tenth Avenue, Hawthorne, NJ 07506, or they may be faxed to (973) 423-1776.

E-mailed grades are often NOT ACCEPTABLE because we are unable to open the file or unable to determine the source of the e-mail. Please send either an original grade report from the school or a clear photocopy of the original.

Please indicate what amount of your scholarship earnings you wish to have sent at that time. Students requesting amounts greater than \$2,000 must also submit a copy of a school bill which indicates that the amount requested is now due from the student.

3) The check will be mailed to the student, made payable to the school. The student will then be able to forward the check to the proper office at his/her school. Checks **WILL NOT** be mailed directly to schools.

4) In the event a student wishes to be reimbursed for previous expenses (such as books), a copy of the receipt for these expenses must be enclosed with the grade report. These requests must be done by mail (not fax).

5) Scholarships may be used for on-campus housing and educational expenses which are paid to the school (usually included with the tuition bill). Scholarships MAY NOT be used for off-campus housing unless that housing is billed through the school.

6) Students must be high school graduates (or over 18 years of age) in order to request funds to be used for trade schools. Those attending trade schools should contact the JBT about the method of acquiring/handling their scholarship monies. Each school's system is different and the 2.0 ("C average") rule is in effect for all types of higher education. The JBT will work with each student to handle their individual circumstances.

7) All scholarship earnings MUST be claimed by the time the student reaches age 23. On the date the student turns 23, all unclaimed funds will be returned to the general scholarship fund of the Junior Bowlers Tour for re-distribution. Students who have begun using their scholarship earnings at the time they turn 23 will continue to having access to those earnings as long as they are continuously attending school. Any request for an extension of the age deadline must be presented to the JBT and approved by the JBT prior to reaching age 23. All such requests will be examined/decided on an individual basis.
